Main Dish

Vegan Shepherd's Pie

¥ 1500

I don't know if we can call a vegan version of Shepherd's Pie as one, but here you are. Featuring brown lentils, chickpeas, potatoes, sweet potatoes, celery, mushrooms and sun-dried tomatoes.

Fish pie

¥ 1500

Another one of My Orange Pot's favorite, featuring potatoes, two different types fish and prawn, light but hearty and make you crave for more

Beef Chili con Carne

¥ 1500

A classic beefy number, with some spicy twist!

Treats

The below are great numbers to accompany your breakfast or
afternoon tea.

Dark Chocolate Brownies | Sweet

¥ 800

I would call this my signature recipe but it is also an epiphany - because this is how my adventure with My Orange Pot began. Great by itself, but also wonderful with ice cream!
